In Re: Freedom of Information Act Request

Dear Sir:

Please be advised that Dworken & Bernstein Co., LPA represents the Estate of Jerome T. Osborne. In this regard, pursuant to the provisions of the Ohio Freedom of Information Act, being O.R.C. 149.43, and the Federal Freedom of Information Act Request, being 5 U.S.C. 552 *et. seq.*, please provide my office with copies of any and all files, documents, applications, reports, letters, complaints, permits, investigative files, field notes, aerial photographs, memorandums, engineer recommendations and notes, E-Mail correspondence, electronic data, permits for, approvals for any applications, video recordings, tape recordings, meeting minutes, wetland delineation studies, fill and mitigation reports, approved wetland plans and analytical results your office may have in its possession relating in any way to a proposed Asphalt plan on Vrooman Road near Route 90 in Leroy, Ohio. Specifically, I am looking for anything relating to wetland issues ODOT faced, is facing or is about to face in relation to the construction of this Asphalt plan. If there is a customary charge for such documents, please forward an invoice with the documents and I will ensure the same is paid.

If you have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,

DWORKEN & BERNSTEIN CO., L.P.A.

Erik L. Walter
